Why is individual registration?

- **Direct Competition Access** – Participate in India’s largest maths competition
- **Self-Learning & Confidence** – Improves independent learning and problem-solving skills
- **Equal Participation Opportunity** – Compete at district, state, and national levels
- **Better Logical Thinking** – Enhances focus, speed, and analytical ability
- **Recognition & Rewards** – Earn certificates, rankings, and awards
- **Healthy Competitive Spirit** – Builds discipline and academic motivation
- **Anytime Practice Access** – Learn through the I am Samarth web/mobile app
- **Future-Ready Digital Learning** – Supports innovation-based and digital education
- **Performance Tracking** – Monitor progress and improvement in real time
- **Secure Student Data** – Protected under Digital Personal Data Protection (DPDP) Act 2023 compliance

REGISTRATION ROADMAP

Individual Student Registration – Guide

Importance of Registration Process

The **Individual Student** Registration process allows students to officially participate in **Maths Genius 2026** through the **I am Samarth web/mobile app** with secure access to learning modules and participation tracking.

Benefits for Students

- A student solves **120** questions on their phone/laptop in **4 minutes**.
- They get unlimited attempts - if they fail, they try again. No punishment, no elimination.
- They must achieve **90%** accuracy in **7 consecutive attempts** to advance to the next level.
- The app uses an Icon-Based Interface (Play, Pause, Next) - even students with basic literacy can navigate it without knowing English.
- The entire system runs on **mobile** or **laptop**. No paper, no teacher involvement, no logistics.

Outcome: This guide provides the complete step-by-step process for individual student registration, account verification, participation confirmation, and access to the Maths Genius 2026 learning through the **I am Samarth web/mobile app**.

Contents

1. Download the App
2. Student Registration Process
 - a. Student Registration Form
 - b. OTP Verification
