Institute Through Registered Individual Student Payment Roadmap

Institute through Registered Individual Student Payment – Guide

Importance of Registration Process

The **"Institute through Registered Individual Student Payment"** process allows registered students to complete their participation **payment individually** when the institute chooses not to process payment through the bulk payment system for **"Maths Genius 2026 Season 2".**

Benefits of Bulk Student Payment

- Reduces payment collection burden on schools
- Secure and easy online payment system
- Quick participation activation for students

Outcome: This guide provides a complete step-by-step process for individual student payment, payment verification, participation confirmation, and transaction management through the institute dashboard.

Contents
